

RF & Microwave Precision

Housings

EMC

EMI

EMP

EMD

TEMPEST

Size
The range has been planned to coincide with popular diecast box sizes but with depths more suited to RF microwave, stripline circuitry & SMC.

Specifications
DIMENSIONAL TOLERANCES

Sizes (in mm)
PH1 35 x 89 x 30
PH2 35 x 114 x 30
PH3 64 x 114 x 30
PH4 89 x 114 x 30
PH5 100 x 140 x 30
PH6 146 x 222 x 30

Accuracy Surface finish **Alochrome**

1.6 micro inch 1200 to BS

0.01mm

Sealing

Waterproof & oilproof

The enclosure integrity is not sacrificed by mounting holes. The fixing holes are tapped in the underside corners of each enclosure. Parallel sides enable adjacent mounting

A Silicone Nickel gasket in machined groove reduces RF leakage to - 150dB typ. Approvals IP 65 BS 5750, QAS 3289/16
